IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

IN RE CALIFORNIA MICRO DEVICES
CORPORATION SECURITIES LITIGATION

No C 94-2817 VRW
ORDER

/

Representative plaintiffs have not explained the reason
that only the Lexis-Nexis database was searched for addresses of
class members. The court is under the impression that several
other databases track addresses. These appear to include Westlaw's
public records database and internet people finder subscription
services such as www.peoplefinders.com or
www.peoplefinder.intelius.com, both allowing unlimited searching
within twenty-four hours for twenty dollars.

1 Counsel are requested to explain why these and other
2 sources of address information were not employed. Counsel may
3 furnish this explanation in writing filed before September 14,
4 2006, at 2:00 pm PDT or by personal appearance, whichever is more
5 convenient.
